Description: Snow is a 1998 New York Times Outstanding Book of the Year and a 1999 Caldecott Honor Book. Its snowing, said boy with dog. Its only a snowflake, said grandfather with beard. No one thinks one or two snowflakes will amount to anything. Not the man with the hat or the lady with the umbrella. Not even the television or the radio forecasters. But one...

Review: Bought this book purely for the illustrations. About 40 years ago, I'd run across and bought (even though I really couldn't afford to buy books then, gave up eating for a week to buy the book) his Dawn book because it was so beautiful. I still have it and look at it every so often when I need serenity and inspiration. I love the illustrations in...
